

SHOE KANSAS CITY

WE NEED YOUR SHOES!

We're collecting used shoes for people who can't afford decent footwear, to protect them from winter's chill, spring's puddles & summer's hot pavement.

Don't worry if your shoes are scuffed or out of fashion. Donate any gently used pair you no longer wear: sport shoes, casual or dress shoes, sandals, work boots, galoshes — you name it, we'll take it: all types & sizes, child through adult.

We're partnering with Shoe Kansas City, which has been "repurposing" shoes for over 14 years. Last year, Shoe Kansas City collected and donated more than 13,000 pairs to Kansas or Missouri charities, to protect the feet of local people who find themselves homeless or on the verge of homelessness - including an increasing number of families & children. (For more info, visit www.shoekansas-city.com)

So explore the back of your closet! Rediscover the shoes you rarely wear – hidden treasure for the less fortunate in our area. **TIE OR RUBBERBAND EACH PAIR TOGETHER** before dropping it in our collection buckets, which

will be in _____
on/until _____.
